- Every ballot argument must have at least one Author. Submitters of ballot arguments must complete and submit this form to the Department of Elections with the Author's signature.
- If there are additional Authors, collect their signatures on Control Sheet B, and submit Control Sheets A and B together.
- If a ballot argument states that someone other than an Author supports or opposes the ballot measure, or agrees with the ballot argument, submit a signed Consent Form with the Control Sheets.
- If you plan to submit multiple paid arguments, ensure consistency and save time by following these steps.
  - Fill out one Control Sheet A with all unchanging information (usually Sections 1, 3, and 4, below).
  - Save the partially completed Control Sheet A. Use this file as a template for all of the arguments.
  - Add the unique information for each argument (generally Section 2 below and argument text), save each argument as a separate file, and print Control Sheet A for each argument.
  - Collect all required signatures Control Sheet A or B or on the Consent Form.
  - Submit completed Control Sheets and Consent Forms to the Department of Elections, and send electronic copies of the argument text to [publications@sfgov.org](mailto:publications@sfgov.org) within 24 hours.
