San Francisco Democratic Heads Pay Lip Service To Bygone Bigotry Abroad But Embrace Brutality Against Their Own People At 2022 Pink Triangle Light “Show”

“The human body can remain nude and uncovered and preserve intact its splendor and its beauty.”

– The Vatican, @Pontifex John Paul II, *Love and Responsibility*, 2002

Wednesday, 1 June 2022 — San Francisco lawmakers perpetuate prejudiced inhumane bigotry & hatred which waste expensive Police & Court resources pursuing innocent persons just as H-tl-r/N-z-s harassed & crushed Naturists/Nudists among millions of others.

Chris Mendes, Chair of the San Francisco Libertarian Party calls on San Franciscan National, State & Local Democrats to immediately end these inhumane & unconstitutional policies once & for all.

Mayor London Breed & All Members Board of Supervisors Must Repeal ALL “Anti-Nudity” Laws (eg: MPC § 154) & Cease & Desist Their Harassment & Threats Against Peaceful Persons.

It is hypocritical to condemn heinous acts of long since dead foreign tyrants while keeping oppression alive & well in their purportedly progressive liberal enclave. Across the United States of America, All US Residents should enjoy the liberty & freedom of “**choice**” to hide their selves behind clothes or enjoy the economic & myriad benefits of living clothes free with dignity & pride in the skin they were born in without fear of harassment by armed law enforcement & courts.

The unimpeachable **Corretta Scott King** famously sought Nudist icon **Josephine Baker** to lead the African American Civil Rights movement after the assassination of **Dr Martin Luther King Jr.**

The brutal ugly history of the “**Pink Triangle**” STILL shines bright, in the minds of many, but, tonight, ironically, it illuminates the faces of hypocrites on stage who are at the root of ongoing oppression hiding themselves behind the mask of “the law.”
