

Do you care about how San Francisco is being (mis)managed ?
Will you help Retire & Replace 85yo Centimillionaire Rep Pelosi with
A Fresh Face who represents our community – not just elitist oligarchs ?

Would you like to Keep Every Nickel* of Your Earnings & Savings
& Pay ZERO Taxes ? (*since the Penny is no longer being minted)

Do you really want to continue paying for the US\$150Billion
"California High Speed Rail – To NoWhere" BOONDOGGLE which will
never ever be completed – despite mountains of deceipts & receipts ?

Hi all

Attached is the postcard and survey that I'd like to send out. Let me know in the next week or so if you have any feedback please

Dear fellow San Franciscan,

Thank you for registering with our party, and thank you for standing by your libertarian values at a time when it can seem like liberty is under assault from all directions.

We want to hear from you! By scanning the QR code below, you can let us know what you'd like to see us work on this year and how you can get involved yourself.
